FACP, CCD, ECNU

Lauren Willard, MD

On behalf of the Greater Pittsburgh Diabetes Club (GPDC), I am extending an invitation to sponsor the November 10<sup>th</sup> Fall Program, hosted by the GPDC. The program is a hybrid program with two opportunities for registrants to participate: in-person or virtually.

We are pleased to welcome Anne L. Peters, MD, Professor of Clinical Medicine, Keck School of Medicine of USC; Director, USC Clinical Diabetes Programs. Dr. Peters will participate and present virtually, *When to Use SGLT-2 Inhibitors and GLP-1 RAs in the Management of Type 1 Diabetes*.

Attending will be professionals providing diabetes care, including physicians, CRNPs, pharmacists, CDEs, PAs and those from other disciplines who have a vested interest in the care of diabetics.

**The attached [GPDC Meeting Exhibitor Agreement](#) outlines details about this unique sponsorship opportunity. Exhibit space is limited!**

To confirm your participation, please complete the attached agreement. If you have further questions, do not hesitate to contact me by email to: [npopovich@acms.org](mailto:npopovich@acms.org) or to 412.321.5030.

*I look forward to welcoming you as an exhibitor and to providing an engaging and robust in-person experience.*

Sincerely,

*Nadine*

# Hybrid Fall Program

## November 10, 2021

6:00 pm to 8:00 pm

*Join us as we Welcome*

### ANNE L. PETERS, MD

Professor of Clinical Medicine, Keck School of Medicine of USC;  
Director, USC Clinical Diabetes Programs

*Dr. Peters will present*

*When to Use SGLT-2 Inhibitors and GLP-1 RA's in the Management  
of Type 1 Diabetes*

*Dr. Peters will be joining us virtually.*

Dr. Peters' research has focused on testing new approaches for diagnosing and treating diabetes and developing systems of care to improve outcomes in diabetic populations. She has published over 200 articles, reviews, and abstracts and three books on diabetes.

Dr. Peters has been an investigator on over 40 research studies and has spoken at over 400 programs throughout the US as well as internationally. She has served on many committees for the ADA and other organizations. Currently she is the chair of the Endocrine Society Committee on Diabetes Devices and is on the EASD/ADA Technology Safety Committee.

#### ONLINE REGISTRATION

Visit <https://www.pghdiabetesclub.org> Please RSVP no later than October 30th

A confirmation of your registration will be sent after you register. If you do not receive a confirmation, you are not registered.

#### REGISTRATION FEE

Members of the GPDC - \$15.00

Guests - \$40.00 (Guest fee includes 1 year of membership in the GPDC - through December 31, 2022)

#### 2 Ways to Participate\*

**In-Person** - 850 Ridge Ave, Pgh PA 15212 (Babb Bldg). Attendees will meet in person; participate in the Vendor Showcase, and enjoy dinner during the lecture.

**Virtually** - A Zoom link will be sent to those attending virtually a few days prior to the date of the program. The Zoom link will be to the email used to register for the program.

\*We cannot accommodate a last minute change from in-person registration to virtual registration or virtual registration to in-person registration. Thank you for your cooperation.

### AGENDA

#### In Person Attendees

6:00 pm to 7:00 pm Vendor Showcase (No CME/CEU awarded)

#### In Person and Virtual Attendees

7:00 pm to 7:05 pm Welcome Noah Lubowsky, MD, President

7:05 pm Introduction of Anne Peters, MD – *When to Use SGLT-2 Inhibitors and GLP-1 RA's in the Management of Type 1 Diabetes*

8:00 pm Q&A - Anne Peters, MD / 8:15 pm Conclusion

*Thank you* to the following Exhibitors  
for their support of this program.

# Hybrid Fall Program

## November 10, 2021

6:00 pm to 8:00 pm

*When to Use SGLT-2 Inhibitors and GLP-1 RA's in the Management of Type 1 Diabetes – Anne L. Peters, MD*

### **At the completion of this program:**

1. Review the Risks of DKA due to SGLT-2 Inhibitors in people with Type 1 Diabetes.
2. Discuss potential benefits of SGLT-2 Inhibitors and GLP-1 RA's.
3. Create a plan for safe use of these agents in people with Type 1 Diabetes.

## **CONTINUING EDUCATION INFORMATION**

### **Accreditation Statement**

The University of Pittsburgh School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Pittsburgh School of Medicine designates this live activity for a maximum of X *AMA PRA Category 1 Credits*<sup>TM</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other health care professionals are awarded .10 continuing education units (CEU's) which are equal to 1.0 contact hours.

### **To Access Evaluation and Obtain Credit**

To receive credit, you will be required to access your account at <http://cce.upmc.com> and complete the course evaluation and/or claim credit. Evaluations and credit are **ONLY AVAILABLE** through the <http://cce.upmc.com> site.

If you are a new user, click Register to create a new account. The activity has been added to your Pending Activities and accessible immediately following the activity.

Certificates will be available to download and stored for future reference in your Completed Activities.
